

Need a Reliable Concreter?

We do:

- Driveways
- Patios
- Paths
- Stencils
- Coloured
- Stamp

Stencil Pattern Concrete

Stencil pattern concrete is an effect achieved by applying colours and patterns to freshly laid wet concrete.

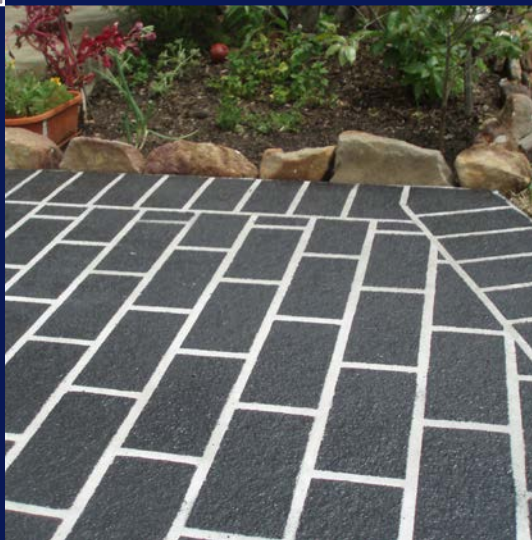

Stamped Impression Concrete

Stamp impression is a system of adding colour, pattern and texture to a plain concrete slab at the time of pouring.

Coloured Concrete

Coloured concrete is a high quality pigment blend that is mixed into the concrete prior to pouring. This gives a depth of colour throughout the entire slab, allowing for long term colour performance.
